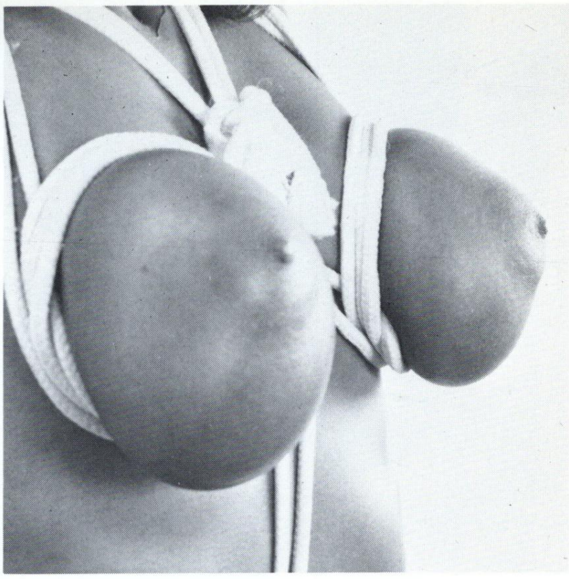
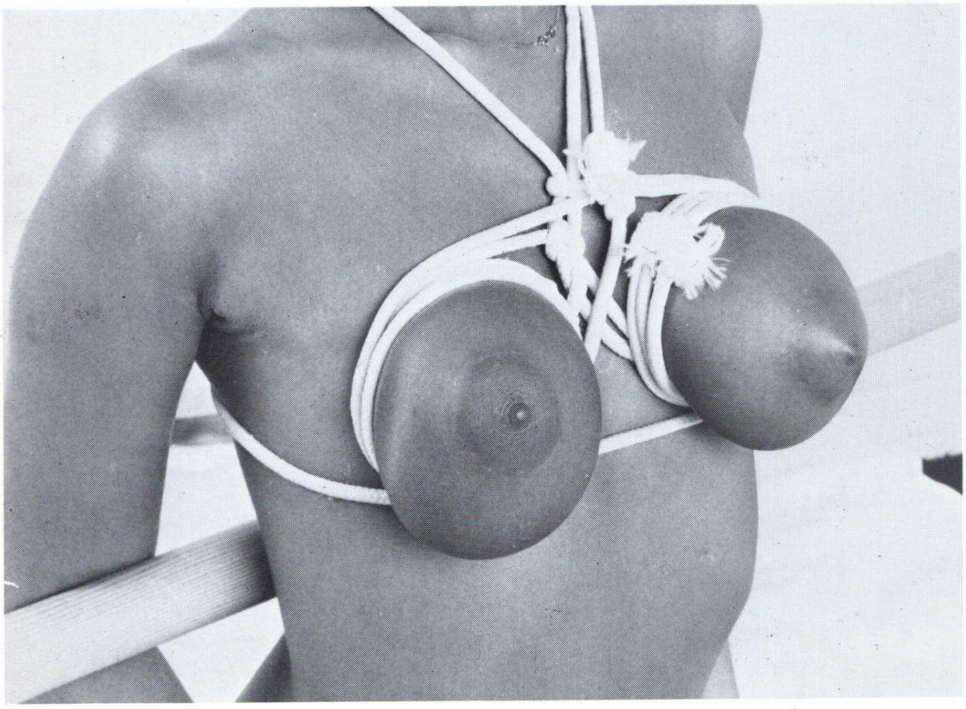
"Ebony Rope Girl"





Tying my lover, Lori, is a sure-fire turn on for the two of us. Lori likes her bondage nice and tight and I often lash her to a wooden bar to add to her discomfort.

"Bondage is no good unless it hurts," she tells me. "It's kind of like a spanking. The good ones leave an afterglow of pain."

Looping the cords around Lori's sexy body, I tug on the ropes.

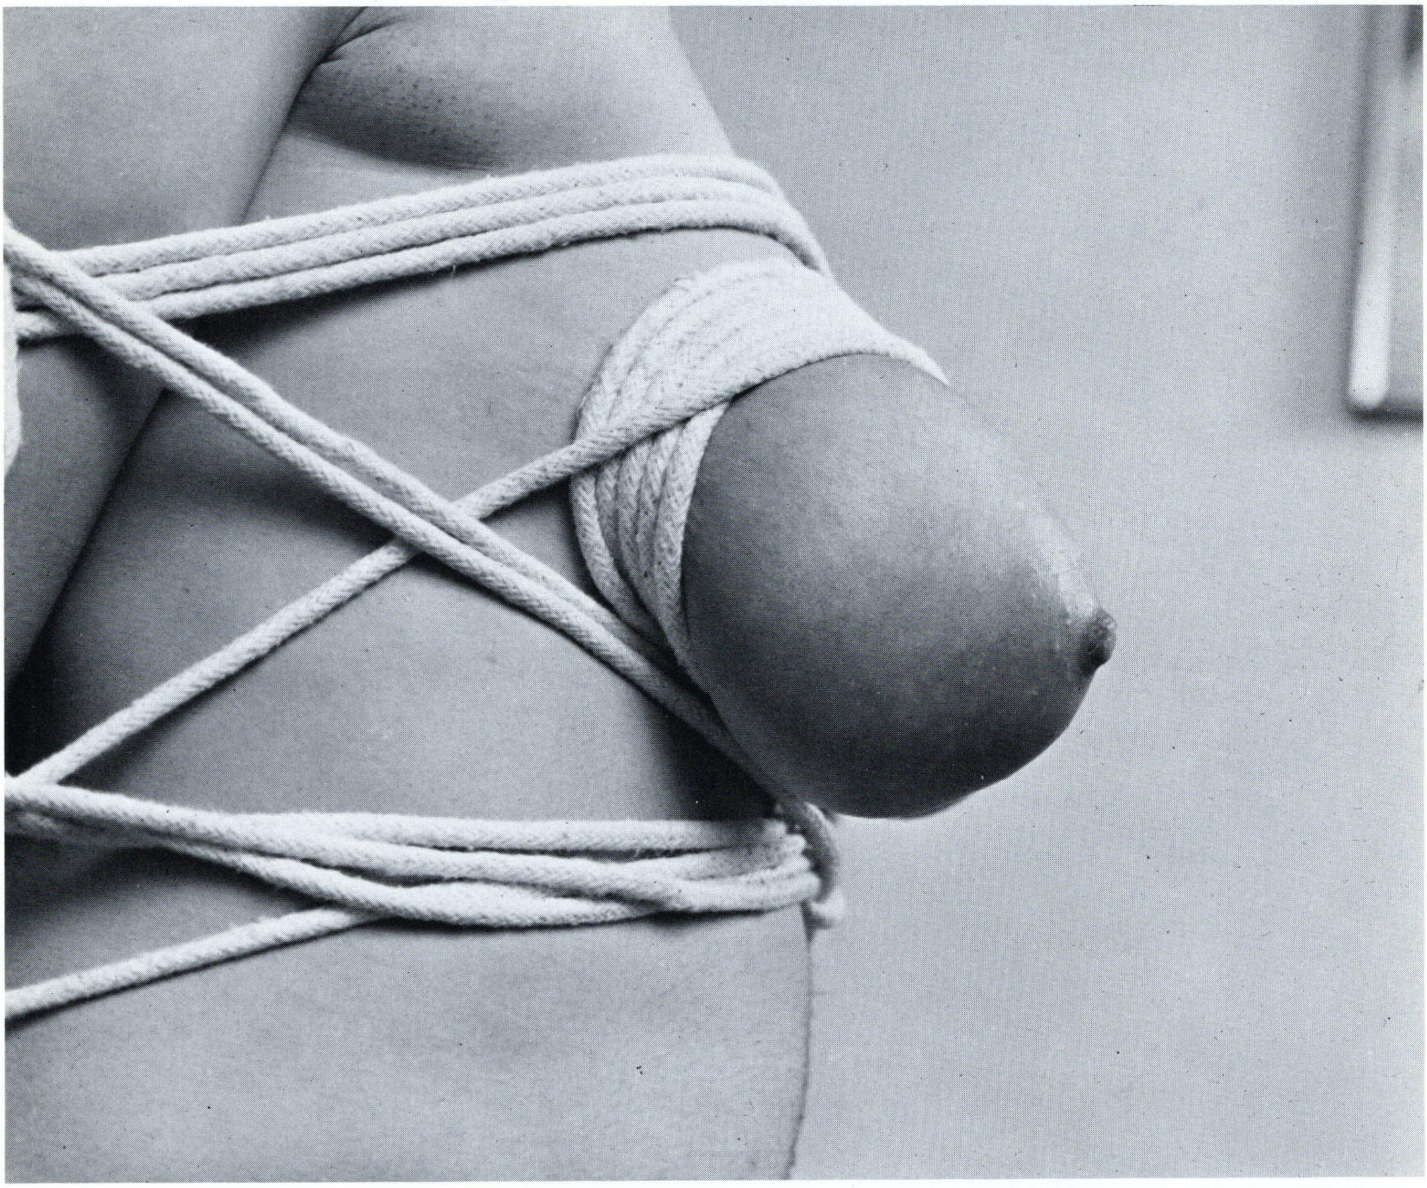
"It'll leave marks," I assure her. "The more you struggle, the redder your skin will wind up."

Lori smiles at me and then I snap a pair of real handcuffs on her wrists. Finishing her off, I blindfold my little vixen, leaving her in suspense until I take out my cock.

When I feel she's had enough, I stick my throbbing erection into her and pound away. Lori comes quicker than usual, the excitement from the bondage enhancing the sex.

That's why we keep ropes handy and indulge in heavy bondage every chance we get.

"Lesbian Bondage Games"



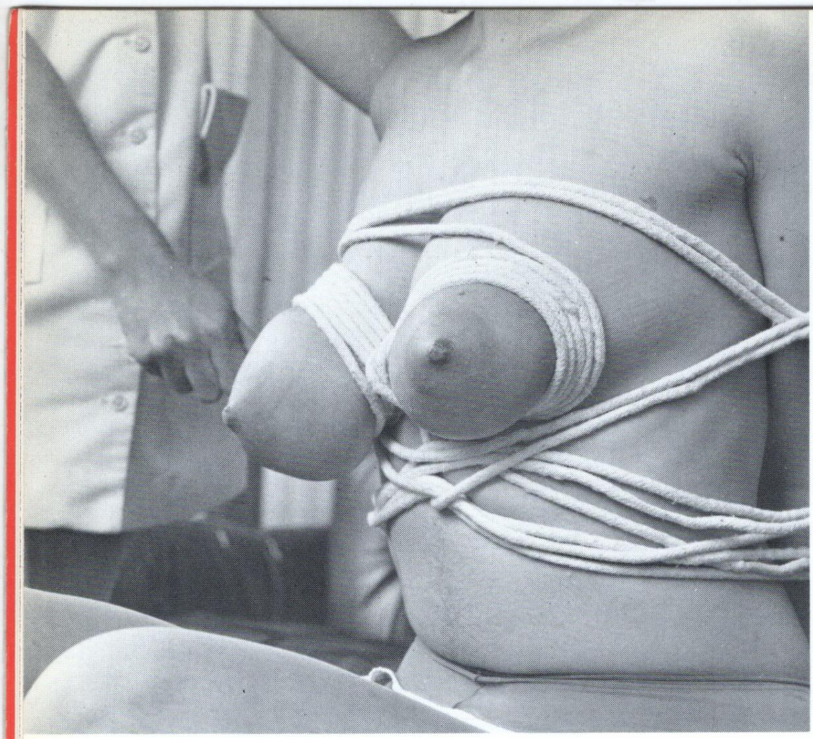
Lashing up my lesbian lover, Cheri, is a turn on for the two of us. Tying her tightly, I inform her that she is to spend the balance of the afternoon in strict bondage.

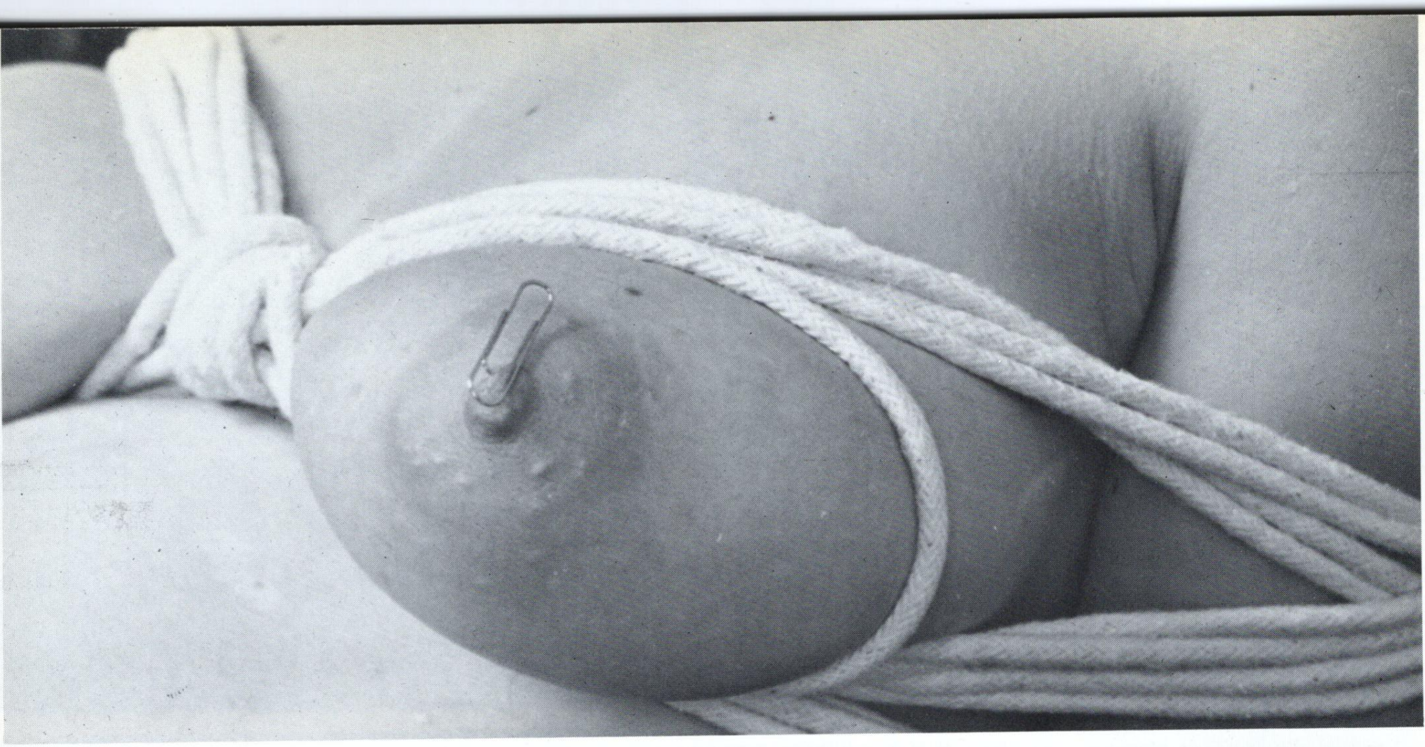
"Please don't keep me tied up too long," she begs. "The ropes hurt and I'm so uncomfortable."

Ignoring her pleas, and giving the ropes a tug, I enjoy her squirming.

I always pay special attention to her tits, looping the cords around them again and again. Then I tug on the nipples watching them get erect. She has such big nipples that I cannot resist lowering my head and sucking on them. This makes her pussy gush and soon I break down, untie her and we get into a 69 position.

The bondage has served its purpose, making us both hot and ready for powerful wet orgasms. That's why I keep a big supply of rope around the house.





"Tie Me Tightly"

Submitting to bondage is my thing. My boyfriend, Jack, ties me with long lengths of rope, pulling the cords so tightly that he leaves rope marks on my skin.

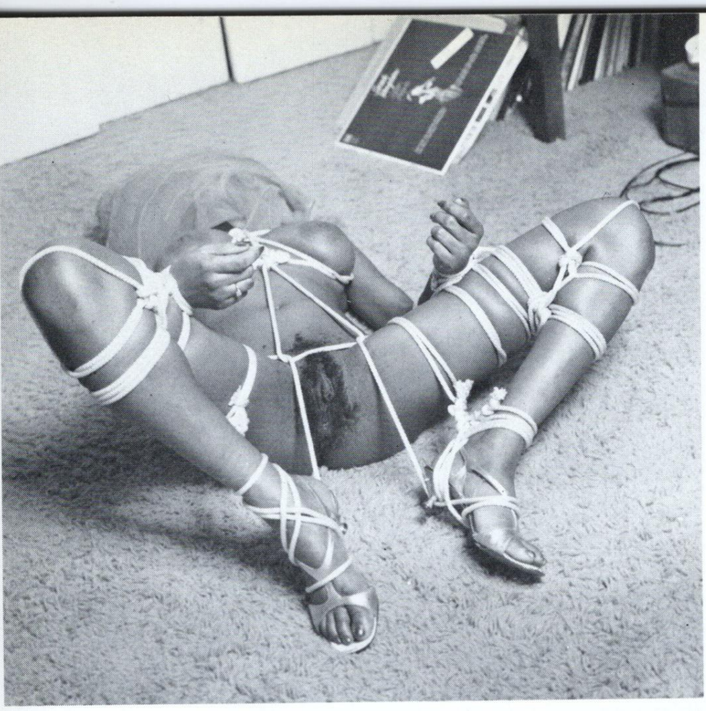
Feeling him loop the ropes around my tits, I beg to be let off. This only earns me a unique form of gagging.

Taking a length of chain, Jack circles my head with it. Having cold metal on my face reminds me to be silent—or else!

Being completely in his power, I must take whatever Jack dishes out. Sometimes it is beatings, other times his cock probing my mouth, cunt, or asshole.

Feeling helpless turns me on. My cunt gets wet and even though I cannot frig myself I come. Squirming around while in bondage is painful, but I can't help it; the orgasms are just too strong.

Spending hours under the rope is more than worth it. The fantastic orgasms I experience make up for the humiliation and discomfort.



"Bondage In Black & White"

Tying up my black lesbian lover gives me a kick. Seeing my white body next to her bound one gets my puss hot.

Looping the cords tightly over her tits, I slip a ball gag into her mouth. Now her protests are cut off and she must submit quietly to anything I devise.

Nibbling on her nipples, I then bite viciously into her tit skin. Hearing her muffled moans only makes me bite harder.

When I am worked up to a fever pitch, I slip the gag out and make her suck my nipples. Feeling her hot tongue on me makes me come.

After I am satisfied, I lick her pussy while she is still in bondage. This seems to get her off faster than usual.

Bondage is a big part of our sex lives. Whenever we break out the ropes we know we're in for a night of pleasure as well as pain.

"Bed Bondage"

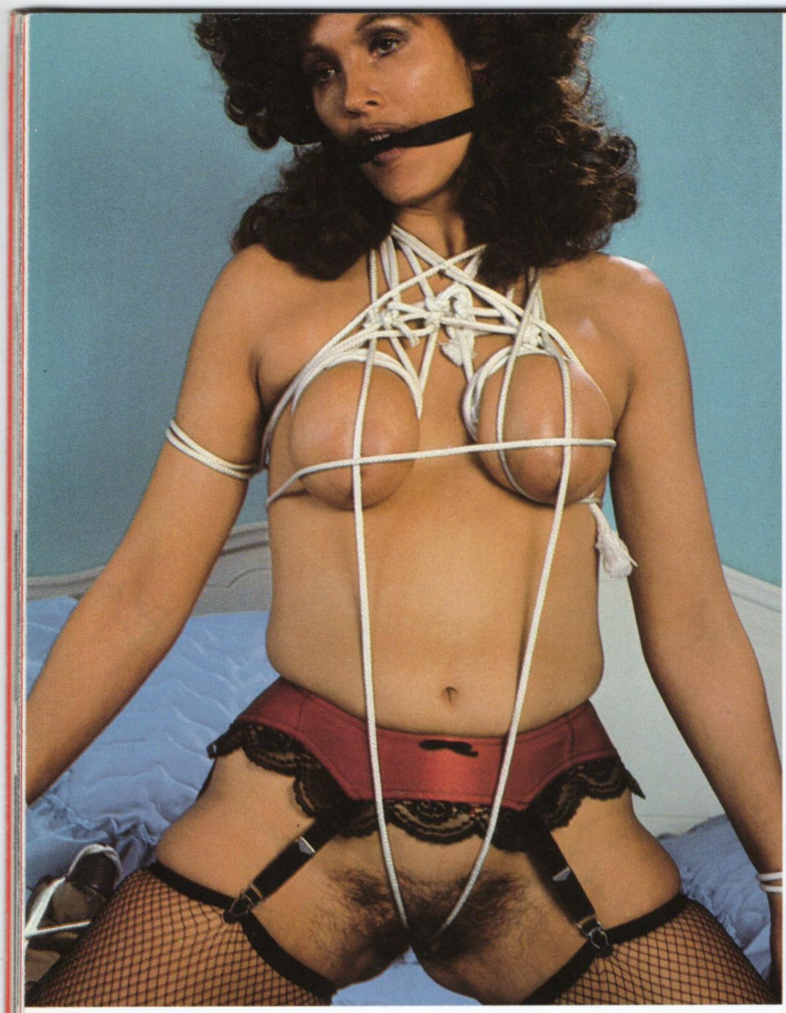
Tying my girlfriend to a stick, I toss her body on the bed. The stick acts as a spreader bar, giving me access to Trudy's privates.

Looking up her cunt, I tell her what a worthless whore she is, how I hate fucking her and how unattractive her ugly body is. These verbal taunts make her excited. Begging me to be nice, to fuck her in any hole I wish, Trudy talks dirty to me saying all sorts of wicked things.

Listening to her spout out this filth gets my dick rock hard. Stripping, I climb into the bed and slide my cock into her drenched pussy. Fucking her while she is restrained is a turn on for us both. Trudy cannot participate, she can only submit, leaving me free to do as I like.

It is bondage like this that keeps Trudy interested in our relationship. It is her submission that keeps me around.

Bondage is more than foreplay for us. It is the entire cake, icing and all.



"Black Buns Bound"

My husband, George, ties me up quite often. Putting me in bondage is his thing and over the years I've grown to like it myself.

George's favorite position for me is bent over so he can lash me tightly with the ropes but still have access to my asshole and pussy.

Other times he will tie me differently, having me lie back and open my thighs wide. These times he usually licks my cunt for hours, giving me more head than I can stand.

Changing me from one position to another, George reties me. Now he approaches me from the rear, sliding his big cock into my pussy. Fucking me vigorously, he slaps my ass cheeks as he gets close to coming.

Restrained, I nevertheless squirm about, feeling the ropes on my body and I come, shouting out my pleasure.

An afternoon of bondage is more than fun. It's a sexual adventure George and I share.

TAUT ADVENTURE

Photo-illustrated publications filled with leather-laced ladies, nipples clamped, pussies skewered by their bonds, flesh reddening from the tightness of the ropes, tits yearning to be free.

"Big Boob Bondage"

Having big tits gets me into a lot of trouble. Carl, my lover, says that big tits deserve to be played with—in more ways than one.

Carl's favorite game is bondage and several times a month I feel the bite of stout cords. Looping them around my tits, Carl pulls the rope tight, flattening my breasts to my body—no easy task since they are so huge.

Complaining too much earns me a ball gag. Gags are the worst and I hate them with a passion. Behaving myself, I take the heavy bondage and suck off Carl whenever he wishes.

Giving head while bound is a turn on. Imagining that I am being held captive, I suck for life. Carl enjoys these blow jobs and never fails to get one.

Bondage games keep Carl and I on the edge of our seats, sexually speaking. The ropes spice up our sex life and keep us coming—and coming back for more.

"Soulful Bondage"

When my cleaning lady does a good job I give her a tip, often eating her black pussy with my tongue. But when this soul sister fucks up, I put her in bondage—good and tight—to set her to rights.

Tying her to a chair stark naked, I looked over her ebony boobs and hairy cunt. With her legs tied wide open, I can punish her cunt as much as I want to.

While my own twat is dripping, I devise many interesting ways to punish my maid's naughty flower. Grabbing my vacuum cleaner hose I stick the nozzle up her twat.

"I'm gonna jam this pipe up your twat, honey, then I'm gonna turn it on!"

Squirming, she begs for mercy but the only kindness I show is throwing a rag over her face so she doesn't have to watch.

Having a vacuum hose up her cunt makes her very sore after just the first minute. The constant sucking dries out her cunt walls and she cries from the punishment.

All during this time, the maid struggles against her tight bonds, leaving rope burns on her black skin. Personally, I'd just give up and take what's coming to me but the maid's too cheeky for that.

When I feel she has learned and her promises of better service sound sincere, I release her from the ropes. We like to keep bondage in reserve for bad work just as we keep lesbian sex in reserve as a tip. It keeps our roles clear. And besides, it's a lot of fun!
